

## HAND 2 HAND 'SLUM' APPEAL JUNE 2017

Following on from yet another barn storming month of donations during the month of May for our personal Hygiene Appeal (final figures to be announce soon as still receiving donations), we are delighted to announce our second slum appeal of the year.

All of the donations from our very successful first slum appeal in February have been given to needy families, so we would like to stock up on these goods to allow us to continue supporting the 74 families which we do.

To give you an idea of the volume of donations which are given to the needy by our foundation on a weekly basis, are as follows;

120kg of rice

120kg of fish

120 packs of rice noodles

120 packs of mama noodles

74 250ml bottles of cooking oil

74 small bottles of fish sauce

74 packs of salt

We are also collecting jars of jam which is a special treat for some of our recipients, any size or brand would be most welcome.

The bar has been set very high for this appeal and we are determined to smash our targets. Please see the required items and target for each item below;

200kg of rice (any size bag)

500 cans of fish

500 packs of rice noodles

500 packs of mama noodles

500 small 250ml bottles of cooking oil

500 small bottles of fish sauce

500 packs of salt

50 jars of jam

We are eternally grateful for all of the love and generosity that has been created through our monthly appeals for the first 5 months of the year. Let's make June one to remember and allow our friends in the slums to be kept supplied with these basic every day essentials for some time to come.

As always we will gladly receive donations at the pre-school either the required items or cash which will be turned into goods. Alternatively you may donate through our website by clicking on this link
