** Bonus Game	2-2	12

An Draw in our Bonus Game this week making it 1 Home, 1 Away and 2 Draws so far – eighteen of you managed to get the result correct and a massive twelve managed to get the correct score line. Well, after four weeks that means we have thirteen tipsters on one point in our Bonus League

What did the fourth week bring in our tipping comp? After all the aways last week we only had one this week. With nobody tipping the result in the Chelsea game then Ten points was going to be the maximum score and we had one tipster who managed that remarkable scorewell played, KEN BAXTER (I'm sure you've not mentioned your score to Pim). That score Ken fully deserves this week's prize of 1000 Baht. For the rest of us it's try again in Week 5.

Early days on our main leader board but we have a familiar name at the top, our 2017/2018 winner, Keith Etherington with 25pts. We then have six tipsters within two points of Keith. To all you guys, if you're way down the leader board don't worry too much at this stage of the season, a couple of good weeks could shoot you way up into the prize places.

Anyway guys the cut off time for Week 5 games is Saturday 14th September at 5:00pm (Thai Time). My next report will be on Tuesday 18th September enjoy the break and good luck with your tips.
