FRASER'S EPL TIPPING COMPETITION

News..

So that's it for another season and what an eventful season it was. The tipping system held up quite well, which makes a change. I will be sending you all an email by early next week telling you who won what throughout the season - hope you enjoyed the comp and look forward to seeing everyone next season, as I said I will be giving you more info by early next week.

What happened in Week 37?

The results and correct forecasts you made for Round 37 are shown below:

| ROUND 37 | RESULT | CORRECT TIPS |
|----------------------------|--------|--------------|
| Arsenal v Brighton | HOME | 40 |
| Aston Villa v Chelsea | HOME | 5 |
| Fulham v Norwich | AWAY | 24 |
| Leeds v West Brom | HOME | 43 |
| Leicester v Tottenham | AWAY | 4 |
| Liverpool v Crystal Palace | HOME | 44 |
| Man City v Everton ** | HOME | 41 |
| Sheff United v Burnley | HOME | 18 |
| West Ham v Southampton | HOME | 41 |
| Wolves v Man United | AWAY | 30 |
| ** Bonus Game | 5-0 | 0 |

An emphatic 'Home' win in our Bonus Game making it 9 Homes 8 Draws 19 Aways and 1 Void for the season. A massive forty one tipsters got the correct result, not surprising though nobody got the correct score. So no change in our Bonus League and Jason Dinsdale, Alan Brookman, Ben Dobbs and Barry Traynor all on 5pts share the first prize. That's the lowest ever winning score, 8/9pts have won all the previous seasons.

What did our final week bring in our tipping comp? With seven homes and no draws scoring was probably the best this season. Five tipsters had a great score of 8pts but going one point better with an excellent score of 9pts was GRAEME LANE and DAVID LINES, both with their first win of the season and each win 1000baht, better late than never guys.

Fittingly the prize money places were taken by the 'Four Musketeers' with Dave Crossley becoming our first back to back winner with 197pts (last season he had 220pts), second was John Di on 192pts, third was Robert Stimpson with 191pts and rounding out the prize places was Peter Terry on 185pts (sorry Clint no 5th prize).

I will be sending you all a balance sheet for this season in the next week and telling you how you can collect any winnings you may have.
